<sup>1</sup> **Nationality:** Country to which the person belongs administratively and that issues the ID card and/or passport

<sup>2</sup> **Phone Number** including country code

<sup>3</sup> **Emergency Contact:** Name (relation), E-Mail, Phone (incl. country code)

<sup>4</sup> **E-Mail:** Your Bruckneruni Student E-Mail account should be the first and main communication channel for all student-mobility related correspondence. Please also fill in your private E-Mail account for back-up, just in case.

<sup>5</sup> **Insurance:** Enquire at your social security provider or the ÖH in due time. Although the ÖH insurance (accident and liability at the place of study) remains valid during the mobility even at the host institution, additional insurance during leisure in the host country must be arranged independently. Travel insurance, which covers return transport costs and trip cancellations, is highly recommended, as well as liability insurance.

<sup>6</sup> **ISCED code** search tool available at [http://ec.europa.eu/education/tools/isced-f\\_en.htm](http://ec.europa.eu/education/tools/isced-f_en.htm) should be used to find the ISCED detailed field of education and training that is closest to the subject of the degree to be awarded to the student by the sending institution. At Bruckneruni, it is always 0215 (Music and Performing Arts).

<sup>7</sup> **Study programme:** only one course of study, i.e. either the artistic or the pedagogical part, is permitted within the framework of the Erasmus study programme. In the respective other degree programme, if applicable, an application for an extension of the duration of studies or leave of absence must be submitted at the faculty office before the start of the stay abroad.

<sup>8</sup> **ID of Study Programme** as indicated in online, e.g.: RA 033 147

<sup>9</sup> **Study cycle:** Short cycle (EQF level 5) / bachelor or equivalent first cycle (EQF level 6) / master or equivalent second cycle (EQF level 7) / doctorate or equivalent third cycle (EQF level 8).

### <sup>10</sup> Erasmus Code / Institutional Code

Find out the code either through the host institution's website or EASY platform, or look it up in the brochure (PDF) in the download-section of the list of partner institutions at [www.bruckneruni.at/en/university/international-relations/erasmus/erasmus-partner-institutions/](http://www.bruckneruni.at/en/university/international-relations/erasmus/erasmus-partner-institutions/)

### <sup>11</sup> Principal (main) artistic subject (MAS or ZKF in German)

Only state your MAS/ZKF (or subject of thesis), in which you wish to be auditioned. If you wish to audition for more than one discipline (e.g. KBA and PBA), you are obligated to complete a separate application for each.

<sup>12</sup> **Transcript including full details of previous and current higher education study.** This has to be issued by the faculty office (Studienbüro) of the sending institution, not to be mistaken with the final 'transcript of records' which will be issued by the receiving institution at the end of the exchange period.

### <sup>13</sup> Language competence

You are expected to have sufficient knowledge of the main working/teaching language at the receiving institution and you will gain most benefit from your exchange if you have some proficiency in the country's native language.

<sup>14</sup> **Language skills:** This information is only meant as a preliminary rating to assess the level of language proficiency. The actual level will be determined after the student's Erasmus+ nomination by the first OLS assessment. To facilitate your rating, the given options may be regarded in rough relation to the reference levels of the Common European Framework of Reference for Languages (CEFR) from A1 (limited) to C1/2 (fluent). <http://europass.cedefop.europa.eu/en/resources/european-language-levels-cefr>

<sup>15</sup> **Erasmus+ Open Linguistic Support (OLS)** for students whose mobility is taking place between Erasmus+ Programme Countries to assess the level of language proficiency from A1 (limited) to C1/2 (fluent).
